

PAINTLESS DENT REPAIR

Eliminate minor dents and dings to help preserve the look of your vehicle

PROGRAM HIGHLIGHTS

Paintless Dent Repair is a specialized process that uses professional tools to gently return the dented metal back to its original form without harming your vehicle's factory finish.

BENEFITS

- Repairs made on dents and dings less than 4" diameter on metal body panels
- Reduces repair time versus going to a traditional body shop
- No deductible
- Available on new and used vehicles
- No limit on number of covered occurrences
- Hail damage that can be repaired using PDR process is covered up to \$1,000 per event
- Rideshare eligible ¹

You can select coverage that lasts one to seven years, depending on how long you plan to keep your car. ²

As an added benefit, if you do decide to sell your vehicle, you may transfer any remaining coverage to the next owner. That's a great way to potentially enhance the resale value of your vehicle.
