KEEP A CLEAR VIEW

Coverage to repair your
windshield with no deductible.

Your windshield performs an important job by protecting you from debris that gets kicked up from the road. While it is designed to withstand some impact, dense objects like rocks can cause damage. Even a small chip is a problem if it's in your line of sight and hinders your ability to see the road ahead. Keep your windshield in great shape with coverage that pays for repairs.

Benefits

- Covers cracks less than 6" long and chips/stars less than 1.5" in diameter that can be repaired by a technician
- No limit on number of covered occurrences or total amount paid
- No deductibles
- Available on new and used vehicles
- Includes coverage for carwash damage
- Vehicles used for hire to the public including rideshare are not excluded ¹

Choose the term that's right for you

You can select coverage that lasts one to seven years, depending on how long you plan to keep your car.²

Transferrable coverage

As an added benefit, if you do decide to sell your vehicle, you may transfer any remaining coverage to the next owner. It's one way to potentially enhance the resale value of your vehicle.

¹The vehicle must be titled in a personal name and operated by one individual or multiple related individuals.

²Coverage and term limits may vary. See contract for details.
