

AUTOMOTIVE PREFERRED CARE+PLUSSM

Help protect yourself from unexpected repair costs with our top-of-the-line coverage

Drive with confidence on the road ahead

Purchasing a vehicle is a significant investment that is worth protecting. While vehicles today are built better than ever before, there is always the chance of a mechanical breakdown that requires a major repair. With the Automotive Preferred Care+Plus vehicle service contract, you can help protect yourself against unexpected repair costs that may result in significant out-of-pocket expenses.

The smart choice to help protect your future finances

The costs of repairs tend to increase every year, and even one unexpected mechanical breakdown could burden you with thousands of dollars in unplanned expense. With the advanced technology in today's vehicles, repairs can be costly and are often unpredictable. Our coverage can help protect your future finances from these potentially high and unexpected expenses.

Repair costs based on nationwide averages for claims paid. Actual costs may vary. See contract for full list of covered parts and components; additional terms and conditions may apply.
