

Valuable features of your coverage

Roadside assistance

Simply call the toll-free number 24 hours a day, seven days a week for roadside assistance up to \$50 per occurrence or towing up to \$150 per occurrence. Or, you can call your own provider and we will reimburse you up to these dollar limits.

Rental car reimbursement

We reimburse up to \$50 per day with a maximum of \$350 per occurrence for a rental vehicle when a covered mechanical breakdown occurs and the vehicle is deemed inoperable.

Trip interruption

We reimburse up to \$100 per day with a maximum of \$300 per occurrence for meals and lodging if you are stranded overnight more than 100 miles from home due to a covered mechanical breakdown.

Manufacturer's warranty deductible reimbursement

We reimburse up to \$100 toward your deductible for repairs covered by your manufacturer's warranty.

Repair locations across the U.S. and Canada

Your dealership is generally your best option for repair service needs. However, you'll rest easy knowing that your coverage will be honored at thousands of licensed repair facilities throughout the United States and Canada.

Future contract guaranty

If you still own your vehicle before your coverage expires, you may be able to purchase a new service contract, subject to eligibility.

AUTOMOTIVE ESSENTIAL CARE+PLUSSM
VSC

Drive with confidence knowing you're covered

Imagine driving with complete peace of mind, knowing that unexpected mechanical breakdowns won't derail your plans or your budget. Automotive Essential Care+PlusSM is designed with forward-thinking solutions to help save you money and eliminate the stress of costly repairs. Leveraging our expertise, we offer superior coverage that ensures your vehicle is protected without breaking the bank. You deserve a service contract that is straightforward and simple and provides valuable protection when a breakdown occurs. Plus, our 24/7 roadside assistance means you're never alone on the road. Invest in your vehicle's future with confidence, knowing we've got you covered every mile of the way.

The smart choice to help reduce out-of-pocket expenses

With the advanced technology in today's vehicles, the costs of repairs tend to increase every year. Our coverage can help protect you from these potentially high out-of-pocket expenses.

ESSENTIAL PROTECTION FOR THE ROAD AHEAD

Coverage for the everyday driver seeking reliability.

Automotive Essential Care+PlusSM covers the most important mechanical parts of the vehicle.

The list below is a sample of non-covered parts: ¹

 **Vehicle Hardware:** door handles, hood and trunk hinges, bumper impact absorbers, headlamp mounting buckets

 **Multimedia Interfaces:** radios, USB outlets, wireless charging pads

 **Four-Wheel and Trailing Accessories:** headlight grills, tow hooks, trailer hitch receivers, locking hub assemblies, auxiliary fuel tanks

 **Supplemental Restraint System:** air bag system and sensors, seat belt assembly

 **Routine Maintenance Items:** oil, coolant, fluids, refrigerant and others

 **Items that occasionally need replacement:** starting, lighting, ignition (SLI) battery, propulsion battery, lights and bulbs, tires, filters, brake pads, brake drums, exhaust system and shock absorbers

 **Interior Items:** carpet and upholstery

Examples of covered parts »

ENGINE²

Cam housing gasket(s)
Cylinder block
Cylinder head(s)
Cylinder head gasket(s)
EGR valve
Engine mounts
Exhaust manifold(s)
Exhaust manifold gasket(s)
Flywheel or flexplate
Front crankshaft seal
Harmonic balancer
Intake manifold
Intake manifold gasket(s)
Intercooler
Oil pan
Oil pan gasket
Oil pump
Rear main seal
Ring gear
Rotor housings and internal parts
Timing chain(s) or belt(s)
Timing chain or belt cover
Timing chain or belt tensioner(s)
Timing cover gasket
Timing gears
Turbocharger or supercharger housing(s) and internal parts
Vacuum pump
Valve cover(s)
Valve cover gasket(s)
Wastegate
Water pump

TRANSMISSION²

Cooler and metal cooler lines
Front pump seal(s)
Manual clutch slave and master cylinders
Output shaft seal
Pan gasket
Shifter seal
Speedometer cable seal
Torque converter
Transaxle case and internal parts
Transfer case and internal parts
Transfer case seals
Transmission case and internal parts
Transmission mounts
Vacuum modulator

DRIVETRAIN ASSEMBLY²

Axle seal(s) or gasket(s)
Axle shafts and bearings
Center bearings and drive shaft yokes
Control processor and sensors
Differential gasket(s)
Drive shaft(s)
Final drive and axle housing(s) and internal parts
Four-wheel drive engagement actuator/motor
Pinion seal
Solenoids
Traction control linkage
Universal and constant velocity joints

SUSPENSION

Air tubes
Air suspension bags
Ball joints
Coil springs
Compressor
Control arm bushings
Control arm shafts
Control processor and sensors
Electronic suspension/variable suspension struts and motors/actuators
Hub bearing seals
Hub bearings
Leaf spring bushings
Leaf spring shackles
Leaf springs
Lines and fittings
Lower control arms
Stabilizer bars
Steering knuckles and spindles
Strut bar bushings
Strut bar links
Struts
Switches
Torsion bar mounts
Torsion bars
Track bar bushings
Track bar links
Track bars
Upper control arms
Wheel bearing seals
Wheel bearings

STEERING

Belt-driven pump, reservoir and internal parts
Center shaft
Control processor
Control sensors
Four-wheel steering pump
Gear housing or rack assembly and their internal parts
Idler arm
Pitman arm
Power cylinder
Pump shaft seal
Rack assembly
Steering column bearings
Steering column couplings
Steering column shaft
Steering linkages
Steering gear housing
Steering pump mounting bracket
Steering pump pulley
Stepper motor
Tie rods

ELECTRICAL

Alternator
Backup light switch
Brake light switch
Manually operated switches
Neutral safety switch
Pulley and mounting bracket
Starter drive
Starter motor
Starter solenoid
Voltage regulator
Wiper motors
Wiring harnesses

FUEL SYSTEM

Accelerator pedal
Distribution rails
Fuel injectors
Fuel level sending unit
Fuel pressure regulator
Fuel pump
Fuel tank
Injection pump
Metal fuel lines and fittings
Throttle body
Throttle cable
Throttle linkage

BRAKES

ABS booster/pump
ABS control processor
ABS master cylinder
ABS sensors
ABS solenoids
Accumulator
Brake pedal
Calipers and seals
Combination valve
Master cylinder
Metal brake line fittings
Metal brake lines
Parking brake assemblies
Power booster
Wheel cylinders

AIR CONDITIONING & HEATING

A/C compressor clutch
A/C compressor coil
A/C compressor mounting bracket
A/C compressor pulley
Accumulator
Belt-driven A/C compressor
Blower motor
Compressor gaskets and seals
Condenser
Control cables
Ducts
Evaporator
Expansion valve
Heater control valve
Heater core
Idler pulley
Idler pulley bearing
Idler pulley mounting bracket
Line o-ring
Metal A/C lines
Orifice tube
Plenum doors
Receiver-dryer
Serpentine belt tensioner
Serpentine belt tensioner bearing
Serpentine belt tensioner pulley

OCCUPANT PROTECTION

Impact sensor
Occupancy sensors

COOLING SYSTEM

Electric fan motor
Fan
Fan clutch
Fan shroud
Radiator

INTERIOR ELECTRONICS

Adaptive cruise control
Cruise control assembly
Digital dash display
Electronic climate control head
Heads-up display projector and control unit
Navigation system
Infotainment screens
Trip/mileage/engine function computer

HYBRID SYSTEM

High voltage supply
Hydraulic tubes
Inverter
Motor/generator
Receptacle

POWERTRAIN ELECTRONICS

Cooling fan control processor
Cooling fan sensors
IAC motor
Ignition coil
Mixture control processor
Timing control processor
Timing control sensors
Transmission shift control processor
Transmission shift control sensors

Frequently Asked Questions

- Q: What does a service contract offer that a manufacturer's warranty doesn't?**
- A:** In the event of a qualifying mechanical breakdown, a service contract can help reduce costs to repair or replace components that are not covered by the manufacturer's warranty. The service contract also provides additional benefits such as towing, rental car and emergency roadside assistance for covered mechanical breakdowns. The coverage continues until the expiration date of the service contract or when the expiration mileage is reached, whichever occurs first.
- Q: Can a service contract save me money?**
- A:** Yes, the advanced technology in today's vehicles has increased the complexity of even basic repairs. As a result, repair and labor costs are likely to continue increasing. The cost of just one significant repair could exceed the amount of purchasing a service contract today.
- Q: Can the purchase price be included in my monthly vehicle payment?**
- A:** Yes. The cost of coverage can be added to your monthly payment, but it can only be done when you purchase your vehicle. If you are financing your vehicle, ask your dealer for details.
- Q: What should I do if my vehicle breaks down?**
- A:** If possible, return to the dealership or any licensed repair facility to determine the problem and cause of the breakdown—and, if needed, make sure to take advantage of your service contract's towing benefit. Have the repair facility call CNA National before beginning any repairs. You pay for only your deductible and any costs not covered by your service contract.
- Q: Where can I take my vehicle for repairs if I'm traveling out of town?**
- A:** Your service contract will be accepted at thousands of licensed repair facilities throughout the U.S. and Canada. If you have a breakdown far from home, your towing benefit can help you get to a nearby repair facility. You will also be reimbursed for lodging, meals and rental car while your vehicle is in the shop for a covered mechanical breakdown.

¹ This overview is not all-inclusive. See your service contract for a complete list of exclusions.

² Coverage begins when the manufacturer's extended powertrain warranty expires.
